*Make checks payable to the Town of Albany. Allow 10 days for processing. Make sure a return address is included.*

**Reminder:** *per Wisconsin Act 82, it is unlawful for residents to push and plow snow across a township road.*

**Snow Removal and Road Side Garbage Pick-up:** *To allow for effective and efficient plowing, and to eliminate the potential of trash container damage, please place the containers a reasonable distance from the edge of the road. Your cooperation is greatly appreciated.*

### **2020 Census**

*FYI - The federal government is getting ready to ask some personal questions for the 2020 census. It's part of a once-a-decade tradition of counting every person living in the U.S. The 2020 population numbers will shape how political power and federal tax dollars are shared in the U.S over the next 10 years. The number of congressional seats and Electoral College votes each state gets are determined by census numbers. They also guide how an estimated \$880 billion a year in federal funding is distributed for schools, roads and other public services in local communities. The demographic data are used by businesses to determine, for example, where to build new supermarkets and by emergency responders to locate injured people after natural disasters. Under current law, the bureau cannot share census responses identifying individuals with the public or other federal agencies, including immigration authorities and other law enforcement. Please respond as it potentially benefits every taxpayer in this Country.*
