WATER TESTING -- ||FEB AND MARCH 2026

Drinking water testing set for Monday, March 2nd, 2026. Municipalities (public water suppliers) are regulated to test the water they provide to citizens. Rural residents on their own well only know if their water is good if they have tested it. Reserve a test kit by signing up here: <https://forms.gle/ZtsEsgftmLpMLipp6> or use the QR code to the left to be brought to the form. (To use the QR code: turn on your smart phone’s camera app and hover over the “picture” a link will pop up- click on it). You must register with this form by February 6, 2026, to get reminders of the program.

Townships will coordinate sample bottle pick up and payment the last week of February. On Monday, March 2nd, 2026, all participants will sample their water and return the bottles to their township coordinator. At the end of April there will be a free educational program where participants can learn about groundwater and how to interpret their test results. Any questions- contact Tonya Gratz, Green County LWCD at 608-325-4195 ext
