*+++Latex Paint should be dried with sand or kitty litter and then disposed of in normal trash.+++*

## Who can participate?

All Green County residents and farmers can participate in the Clean Sweep Program. No Pre-registration is required for the event. This is a one-day free event with proof of residency in Green County.

## Hazardous Materials for Disposal

Waste chemicals include any type of weed, insect, fungus or rodent killers, but also include sanitizers, and other chemicals. Pesticides become wastes when they can no longer be used. Hazardous waste materials include banned products, products damaged by moisture, contamination or outdated products.

## Safety Guidelines

- Visually inspect containers before lifting.
- Secure lids, caps, and covers.
- Leave materials in their original containers. DO NOT MIX.
- Leave all labels in place, even if worn or torn. If labels are missing, please list contents with permanent marker.
- Place containers in plastic or garbage bag lined cardboard box for hauling.
- Use the trunk of your vehicle or truck bed.

## Disposal and Testing Fees

Disposal of ag chemicals and household chemicals is free with the exception of marked items on inside chart. A testing fee may be charged for unknown chemicals if amounts are greater than five gallons or fifty pounds. Fees paid by cash or check at time of disposal.

## Other Notes

- Proof of Green County residency required.
- No pre-registration required.
- All items should be properly identified.
- We reserve the right to reject any item that does not meet the intent of the program.
- Materials will only be accepted by authorized personnel during the hours as listed.
